

JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Friday - 3 November 1967

STAT

1. [ ] Talked to Bernard Martin, Bureau of the Budget, concerning S. 1035 and informed him that we had directed our report on this bill to Mr. James Clark, of the International Division, with the request that he bring this directly to the attention of Mr. Schultze. I noted that I was calling Mr. Martin to alert him to the fact that we have filed this report in the event it has not yet come to his attention. Mr. Martin said he had not yet received it and thanked me for my call.

STAT

2. [ ] Picked up copies of House Report 877 on the Rodino bill from Mary Sourwine, House Subcommittee on Immigration and Naturalization staff.

STAT

3. [ ] Talked to Drury Blair, Senate Subcommittee on Immigration and Naturalization staff, concerning the Rodino bill. It was Blair's belief that this late in the session it will be necessary to talk to Senator Eastland if the bill is to pass the Senate this session. He stated that there may be some reluctance to put the bill on the Senate calendar unless Senator Eastland can secure unanimous consent to its passage because of the likelihood that other immigration bills would be tacked on by amendment. It was agreed that we would await House action on the bill and then further consider what action should be taken.

4. [ ] Because of the Friday session of the House, Representative Wiley Mayne (R., Iowa) canceled his scheduled luncheon visit to the Agency. Because of the likelihood of Friday sessions during the remainder of this session, Mr. Mayne felt that we should put his visit over until next year. I shall continue to be in touch with Mr. Mayne.
